IMO needs talented, dedicated and team orientated staff. If you are looking for new challenges in a rapidly expanding company and are interested in joining our highly motivated team then please read on.

Wuerzburg, and are easily accessible.

Currently, we have more than 1.000 employees in Gremsdorf. We are located on the motorway A3 between Nuremberg and

Thanks to our highly motivated people, and an excellent product line, our growth rate has been steadily rising for a number of years. In the previous years IMO has earned numerous awards for our exemplary growth. In 2007 we achieved our second award as one of Bavaria's Top 50 companies. In November 2005 we were recognized as one of the best out of the 500 fastest growing companies in Europe. We are also proud that we achieved the Jobstar of the Nuremberg region for creating jobs in the area.

IMO is one of the leading manufacturers in the global market for large Slewing Rings. Our reputation as an innovative manufacturer and technical leader in the market brings new application challenges every day. At IMO, you can combine responsibility and creativity with a positive working environment.

We are always interested in finding highly qualified technical and dedicated people for our safety critical products to meet our challenging business goals.

Are you attracted by our company philosophy? Then please have a look at our current job vacancies.

If you have not found a listed job vacancy that fits your experience or exact needs but feel IMO would be a great place to work, then please send us your application.
