Sustainable success!

IMO's future success remains directly connected to the constantly changing global market and the many various new applications using our technology are a big challenge for us.

For IMO, people- customers as well as employees - play the most important role for our future success.

The IMO ownership and management team will continue to position the company as a modern, innovative and community conscious enterprise. Our group of motivated employees, the continued development of leading edge technology and our unmatched experience in the Slew Drive marketplace are further proof that you can safely and confidently rely on IMO for all you Slewing Ring and Slew Drive requirements.
