Are you a skilled worker with a professional certification, skilful and flexible? We offer numerous jobs on our modern CNC-machines working in 3 shifts: Drilling, turning, tothing, hardening. You also find job opportunities in the following departments: Assembly, Dispatch and Quality Assurance.

We need highly qualified technical and dedicated people for our safety critical products to meet our challenging business goals. That is why we are looking for team orientated and highly motivated people.

Are you attracted by our company philosophy? Then please have a look at our current job vacancies.

If you have not found a listed job vacancy that fits your experience or exact needs but feel IMO would be a great place to work, then please send us your application.
